When is Globalscape's next Annual Meeting?

We typically hold our annual meeting of stockholders in May or June at the Company's headquarters in San Antonio. The date and time will be made publicly available several weeks in advance of the meeting.

When does Globalscape announce its quarterly financial results?

The Company typically holds its quarterly earnings conference calls approximately one month after the close of its fiscal quarter. Globalscape will issue a press release announcing the date and time of the call one to two weeks before the call date.

Why doesn't the company provide guidance?

As discussed in our 10-K filing, a variety of risk factors could impact our operations and financial performance. While we have been very successful as a conservatively run company, we believe it is prudent to not set specific operational and financial expectations which can be affected by numerous factors outside of the company's control.

Who are Globalscape's auditors?

The Company uses BDO USA, LLP as its independent registered public accounting firm to audit the Company's financial statements.

When and where was Globalscape incorporated?

Globalscape was originally incorporated in Delaware in 1996.

How many employees does Globalscape have?

Included in the recent 10-K filing, as of December 31 2016, the Company had 133 employees.
