GlobalSCAPE, Inc. ("GlobalSCAPE" or the "Company") is unable to file, without unreasonable effort and expense, its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2017 (the "Form 10-Q") because it requires additional time to complete the preparation of its financial statements included therein, due to a previously disclosed internal investigation and restatement of certain financial statements of the Company. A discussion of the estimated effects of errors with respect to certain transactions, which caused the Company's Audit Committee, in consultation with management, to determine that certain financial statements of the Company should be restated, was set forth in Item 4.02(a) of the Restatement 8-K. The restated consolidated financial statements will reflect additional accounting adjustments in addition to those described in the Restatement 8-K that may arise as a result of the efforts described therein. At this time, the Company does not plan to provide further updates regarding any such additional adjustments until the restated consolidated financial statements are filed.

Forward-Looking Statements

This Form 12b-25 contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including, without limitation, GlobalSCAPE's expectations as to the timing and outcome of its restatement of certain of its financial statements and the filing of the related quarterly and annual reports (the "Reports").

These forward-looking statements involve risks and uncertainties, and actual results could vary materially from these forward-looking statements.
